VENUES

1) TITANIA HOTEL

The welcome cocktail on Sunday 5th June, as well as the meeting on Friday 10th June will take place on Titania Hotel <http://www.titania.gr>

Located at Panepistimiou Avenue, near Syntagma square, right in the heart of the Historical and Commercial Centre of Athens, the recently renovated TITANIA Hotel creates its own "page" in the history of Hospitality. The TITANIA Athens hotel is surrounded by the most important monuments of the Grecian History, such as the Acropolis, the New Museum of Acropolis, the Parliament, the Archaeological Museum, and the National Library. It is located within short distance to theaters, modern commercial shops and city malls, offering its guests a wide variety of sightseeing and entertainment choices.

HOW TO REACH TITANIA HOTEL FROM THE AIRPORT:

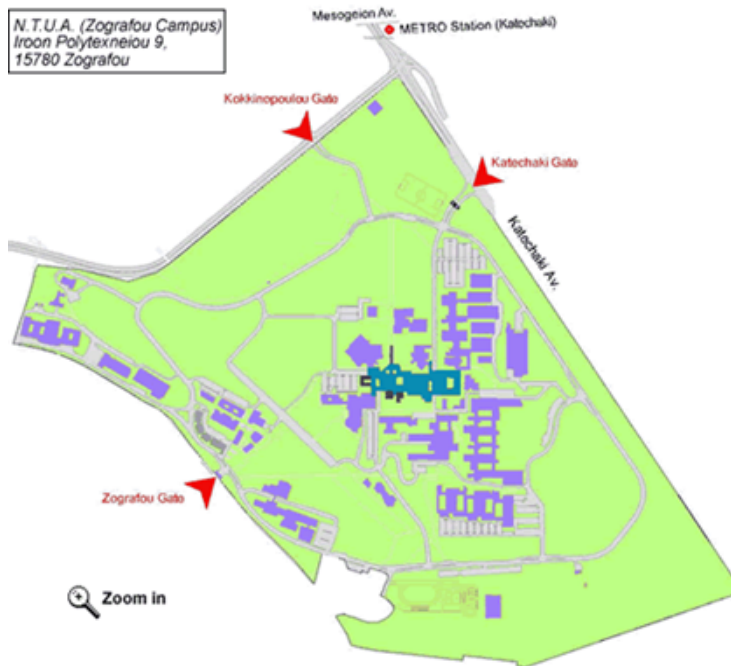

- a. Take METRO (not the suburban train) line 3 - blue line (direction EGALEO) and get off at SYNTAGMA station. At SYNTAGMA change to line 2 – red line (direction AGHIOS ANTONIOS) and get off at OMONIA station.
- b. Take BUS line X 94 to ETHNIKI AMYNA (terminal stop) and from there METRO line 3 – blue line (direction EGALEO) and get off at SYNTAGMA station. From SYNTAGMA take the METRO line 2 – red line (direction AGHIOS ANTONIOS) and get off at OMONIA station.

5-10 June 2016, Athens, Greece

c. Take BUS line X 95 to SYNTAGMA (terminal stop). From there, METRO line 2 – red line (direction AGHIOS ANTONIOS). Get off at OMONIA station.

2) NATIONAL TECHNICAL UNIVERSITY OF ATHENS

All courses take place at the NTUA, the Zografou Campus. http://www.ntua.gr/index_en.html
HOW TO REACH NTUA:

The buses that serve the Zografou campus of NTUA are:

Bus number 608, **Galatsi-Akadimia-Zografou** line. For NTUA get off the bus at the '8th of Zografou' stop and walk to the "upper" gate of the campus, which is the one at Iroon Polytechniou 9, near the Lambadario building (Rural and Survey Engineering).

5- 10 June 2016, Athens, Greece

Bus number 230, **Acropolis-Zografou line**. For NTUA get off the bus at the '8th of Zografou' stop and walk to the "upper" gate of the campus, which is the one at Iroon Polytechniou 9, near the Lambadario building (Rural and Survey Engineering).

Katehaki St. (Metro) - NTUA Campus (and back)

There is also the bus line (number) 140 for **Polygono (Glyfada)** which leaves from the Evelpidon Court of Law, and stops near the "lower" gate of the campus, on the cross of Katehaki Av. and Kokkinopoulou St. You can also get on this bus at the intersection of Mesogeion Av. and Katehaki Av., where it also stops. The disadvantage in using this bus is that one has to walk for about 15 minutes, from the "lower" gate to the buildings of the campus. On the other hand, the advantage is that most of the cars pass through that gate and someone might give you a ride! Furthermore, a new bus line has been established for **Neos Kosmos** which departs from the building of the Dept. Naval Architecture & Marine Engineering.
